

6-403.11 Designated Areas.

(A) Areas designated for employees to eat, drink, and use tobacco shall be located so that food, equipment, linens, and single-service and single-use articles are protected from contamination.

(B) Lockers or other suitable facilities shall be located in a designated room or area where contamination of food, equipment, utensils, linens, and single-service and single-use articles can not occur.

6-305.11 Designation.

(A) Dressing rooms or dressing areas shall be designated if employees routinely change their clothes in the establishment.

(B) Lockers or other suitable facilities shall be provided for the orderly storage of employees' clothing and other possessions.

6-501.110 Using Dressing Rooms and Lockers.

(A) Dressing rooms shall be used by employees if the employees regularly change their clothes in the establishment.

(B) Lockers or other suitable facilities shall be used for the orderly storage of employee clothing and other possessions.

6-202.111 Private Homes and Living or Sleeping Quarters, Use Prohibition.

A private home, a room used as living or sleeping quarters, or an area directly opening into a room used as living or sleeping quarters may not be used for conducting food establishment operations.

6-202.112 Living or Sleeping Quarters, Separation.

Living or sleeping quarters located on the premises of a food establishment such as those provided for lodging registration clerks or resident managers shall be separated from rooms and areas used for food establishment operations by complete partitioning and solid self-closing doors.

Dressing & Locker Rooms / Personal Care Item Storage

A designated area with lockers, separate from toilets, food storage or food preparation areas, shall be provided to store outer garments, personal belongings, and other personal care items.

When employees change their clothes and store their outer garments on the premises, a change room(s) should be provided that is large enough to accommodate a standard locker for each employee per shift. Clothing change rooms/areas should not be used as an office or for other food establishment activities.

Exhaust and make-up ventilation shall be provided for each change room.

Food service storage shelves are not allowed in change rooms. If space requirements dictate that lockers or designated areas are located in areas near food service items, they should be located below and away from food service storage areas.

Laundered linens, and single use items packaged or stored in a cabinet, may be kept in a locker room or change room, provided the room has no toilet facilities.

Living or sleeping quarters located on the premises must be separated from the food establishment areas by complete partitioning and solid, self-closing doors.
